BOOTY CALL

Letters, comments and pure ass-play

CHECK OUT THE *THONG TEAM* AND THEIR BIG ALL-STAR BOOTIES!

ONE FAN WANTS A GAME AGAINST THE *THONG TEAM*

Dear *BootyLicious,*

Ever since I can remember, I have been an ass man. I have been chasing tail (literally) since I was in junior high and some of my best (and horniest) high school and college memories are of times I got lucky with some pretty, big-assed girl. I have a thing for black and Latin women, and it earned me the nickname of Captain Culo. (That means "ass" in Spanish. I am a 37-year-old Puerto Rican guy that hails from Brooklyn, New York.)

Fortunately for me, I am one of those lucky guys who married the (big-assed) girl of his dreams and she has no problem with my affection for a fat ass. In fact, she goes with me to the strip clubs and we grab-ass and tip the strippers together. We have even had some hot threesomes with other big-assed black women. (My wife happens to be black.)

Because she knows about my love of butts and group sex, my wife gave a basket of goodies on my birthday that had an anal theme. In it was your typical stuff; lube, thongs for her to wear for me and ass toys. There was also a bunch of your magazines and a DVDs. And one of those DVDs, the *Thong Team*, is the reason I decided to sit down and write this e-mail.

First of all, the movie made my dick stiffer than stiff! The cast is amazing. I love Skyy Black and Ms Juicy, but Kelly Starr is my favorite. She is built just like I like them. She has a lot of muscle and a lot of ass. She looks like she can take it as good as she gives it.

I was wondering if you are going to make a *Thong Team 2* and if so, can I be in it? I think I could perform well and my wife says it's okay! (Ha!) I hope you guys do make a sequel because the original is incredible. Keep up all of the good work, guys! You can bet that I will be investing in a lot more of your XXX DVDs!–Captain Culo, via the Internet

ASS-SHAKERS AND CLAPPERS, SKYY BLACK, MS. JUICY AND KELLY STARR ALL WORK DICKS WITH THEIR MOUTHS, PUSSIES AND ASSES IN THE *BOOTYLICIOUS* BANGER, THE *THONG TEAM*, AVAILABLE ON PAGE 9 OF THIS ISSUE.

IT'S ALL ABOUT THE HUGE, WHITE ASSES IN THE MAG...

Dear *BootyLicious,*

I am a big fan of your magazine and have a request to make of your editorial team. Please keep featuring more and more big-assed white models. I love them. I am a black man and I am into black chicks with big asses, but for some strange reason, I get the most-

aroused by the white women with nice, round butts that you feature in *BootyLicious*. I hope that in the future, you will consider making a magazine with just white models with big asses in it. I would buy every issue. I would probably buy a few copies of every issue.

I also picked up a copy of your movie, *Big Assed White Chicks* and the all-star cast really impressed me. Each scene featured a stunning model who was very blessed in the rear region. I want for you to please make more of these movies featuring only white models with big butts. –G.P., New Orleans, Louisiana

HE WANTS TO KNOW WHERE TO SCORE MORE PALE TAIL

Dear *BootyLicious*,

I recently started checking out your magazine because my friend has every issue you guys have put out. I must say that I am impressed by the caliber of models you feature. They are always a cut above your competitor's magazines.

One of the reasons I am writing to you is to ask you where I can see some of the white girls that I saw flipping through my buddy's mags. One of them was a girl in suspenders named Sasha Fox. Another one was named Anna Carlene. Her ass was really good. My favorite was Kelli Staxxx. She is really curvy and beefy and that kind of body type is what I like.

I have nothing against cute, skinny girls who have nice and perky butts, but if I have a choice, I prefer to have sex with a woman with some meat on her bones. My experience is that a bigger girl is just naturally hornier. But hey, that's just me. I am sure that there are a lot of horny, thin

ladies out there, I prefer the bigger ones, though. If you could tell me where to find the faves I mentioned, I would appreciate it.–G.S., via the Internet

Dear G.S., You can see Sasha Fox in the December '09 issue and Anna Carlene is featured in the June '08 issue. Kelli Staxxx made her debut in the January '11 issue of BootyLicious. You can score copies of all three magazines by turning to page 10 of this issue. Happy jacking, buddy.

GISELLE HUMES BLEW HIS MIND AND HIS LOAD, TOO!

Dear *BootyLicious*,

I ordered a copy of your July '10 issue and I couldn't wait to get it because it featured my favorite model, Giselle Humes. When it got here and I saw her XXX pictorial, my dick got so hard that it made my nuts hurt. She looks so damn good that I wish it was my big dick plowing her tight pussy. Bring her back soon! She has the best body around.–T.W., Denver, Colorado

FEATURE SOME MORE SKINNY CHICKS IN THE MAG!

Dear *BootyLicious*,

I never would have thought that I would write in to air some complaints about your mag because I am such a big fan, but now here I am writing to say that I am pissed off. Why? Because you keep putting big, fat women in the mag that really don't belong there. Sure, they have big asses, but they are HUGE everywhere and that is a big turnoff for guys who like tight, bubble asses. We want to see a thin, slim waist and a nice, bub-

ble ass that makes us want to grab on and fuck. But you guys keep putting in big girls that make my dick fucking soft.

Now, I don't want to be an asshole and point out the girls who are too big, so instead, I will point out where you guys got it right. In the July '10 issue you guys got it right. You had Giselle Humes, who I think is the hottest Latina you have had in the magazine. You also had Jada Fire, who has the perfect body. And then there was Kirra Lynne in that bridal layout. If I got a shot at hitting that sexy ass of hers, I would probably put a ring on her finger and marry her, too. She is the kind of girl that you lock down and keep.

These are the kind of models that you should be featuring. Not the ones who are big everywhere and have those big, wide asses. That is a total turnoff. I hope you listen to me because I am sure that other *BootyLicious* readers feel the same way. Please put more slim, trim models with nice, tight bubble booties inside *BootyLicious*!–H.K., Cleveland, Ohio

Dear *BootyLicious*,

When will you bring Pinky back to *BootyLicious* magazine? Pinky is my favorite model and it's been a while since she was in the mag. I have her movie, *Big Ass Boot Camp* and she looks damn fine in the fatigues she wears. Bring Pinky back, please. I don't even need to see her in a XXX set. I want to see just her in a tight pair of booty

FANS ARE DEMANDING THE RETURN OF PINKY AND HER WHALE TAIL!

shorts and a thong. I really love her big, fat ass!–G.D., Lexington, Kentucky

Dear *BootyLicious,*

I remember when you featured a model that had bright pink hair named Pinky. She had a really big butt and she could make it clap very loud. Are you ever going to have her in the magazine, again? I know she has a lot of fans who would appreciate it if you did. We need more Pinky! She is the perfect booty model with the perfect ass for the mag.–A.Q., Norfolk, Virginia

JAZZY JADE HAS THE BEST BUTT AND BOX OF ALL TIME

Dear *BootyLicious,*

I picked up a lot of your back issues and I am glad I did. I think your magazine is much better than all the other butt mags out there. I am also glad that I ordered the October '08 issue because it has become my favorite issue so far. One model in particular really turned me on and her name is Jazzy Jade.

Jazzy Jade is a 10 in my book. She has a great body, a sexy face and her pussy and ass are so incredible. There is a shot in the magazine where she is looking over her shoulder and her ass and pussy are on display and I swear, I wanted to dive right in and taste her for hours.

Another thing that I liked about her pussy was that she had some hair on it. I don't like it when models shave their

Welcome to *BootyLicious*, Janea! We have to tell you that you have a sweet set of cheeks.

"Thanks, baby! I love my ass. Back home in Oakland, guys call me Ms. Fat Booty, like that Mos Def song. I think it's cute. When I am in public, I wear skin-tight pants and skirts that show off my shape. My favorite thing in the world is when I walk by and I hear a guy suck in his breath and say, "DAMN!" really loud. I like to look over my shoulder and smile and wink at him. I am a super flirt and I think it's fun to get men riled up."

What do you like to do for fun when you are not modeling, Janea?

"Aside from modeling, I am a part-time student. I am studying to become a nurse, so I usually hit the books in my down time. If I get free time from my studies, I like to go shopping and out to dinner with my girls. I also like to go out dancing. I love getting dressed up and going to the club. Is it true what they say that if a guy can dance well, he can fuck well, too?

"[*Laughs*.] I am not sure if that is a scientific fact, but I like to believe that it is true. At least when it comes to the guys I have met who are good dancers. I think it's because in order to move together on the dance floor, you have to be able to connect and get into the same rhythm. If you can't get it together on the dance floor, it looks awkward. I think that carries over into the bedroom. If you have a good connection and rhythm, the sex is great!"

GEMINI LOVELL

EXCLUSIVE DEBUT

THAT THICK CHICK

StoreMags - Free Magazines Download in True PDF format

Release: StoreMags & Fantamag. Magazines for All

StoreMags.com

The first time I saw Gemini Lovell was in a series of photos she submitted to one of our studio recruiters. My initial reaction was that she was hot and very horny. In fact, I built her up in my head as a kind of nasty, freak chick. (Because frankly, that's how I like for women to be!) So I was quite taken aback when I met her in person and she turned out to be a shy, soft-spoken shorty from New York. We sat down in the studio inbetween photo-shoots and she told me about her modeling career, what it's like to be an exotic dancer in New York and all of the things that she can do with her big ass. While she was still (sort of) a freak, she was really much more of a nice girl; a girl-next-door, if you will. The kind of girl you fall for.

BY MARIA GUERRERO

BootyLicious: Welcome to *BootyLicious*, Gemini. Love the blond hair and the mesh dress. Very hot.

Gemini Lovell: Thank you! [*Giggles.*] I was very nervous about this interview.

BootyLicious: Well, I promise, I don't bite.

Gemini Lovell: [*Laughs.*] Well that's good.

BootyLicious: Why don't you start off by telling us were you are from?

Gemini Lovell: I am from New York.

BootyLicious: Oh, where in New York do you hail from?

Gemini Lovell: I am from Queens, actually.

BootyLicious: And how old are you, Gemini?

Gemini Lovell: I'm 23.

BootyLicious: How long have you been modeling?

Gemini Lovell: Um, I would say about two years.

BootyLicious: Why did you decide to become a model?

Gemini Lovell: I started as a print model for urban magazines and then I gradually shifted towards nude photos and then to video. Now, I just do adult modeling.

BootyLicious: Were you ever a dancer at a strip club?

Gemini Lovell: Yes, I started off as a dancer, actually. And maybe after, like, six months, I started getting approached by a bunch of people who wanted me to pose for their magazines and whatnot.

BootyLicious: Well, let's talk about the strip club. I like to ask the models who dance about the club because there are always a lot of interesting stories that happen there.

Gemini Lovell: Well, actually, that's not always true. It really depends on where you work. For me, I love to dance. If I could do it forever, I would. I know that a lot of girls say they are only dancing for a certain amount of time, but I could do it forever. I really enjoy my job.

BootyLicious: So you say that not all strip clubs are the same. In your experience, how are they different?

Gemini Lovell: Well, it depends on where you work. Some places are elegant. You wear gowns and everything is classy. The enviroment is nice and everyone is friendly. I have danced at places where you don't do

any dances out on the floor with the customers and you don't do pole tricks. You just dance and the clientele prefers that. They want you to behave like a lady.

BootyLicious: Like a real gentlemen's club, right?

Gemini Lovell: Yes, exactly. And then there is the other end of it that is bad. The kind of club where all the strippers are drunk and they argue with everyone. And the customers are a lot more aggressive. I don't like those kinds of clubs. But, like I said, every place is different.

BootyLicious: So, do you do booty tricks and pole tricks?

Gemini Lovell: Yes, I do.

BootyLicious: Is that hard to do? I'm a big fan of all those pole tricks and I have always wondered if it's hard.

Gemini Lovell: Um, I think it's hard before you know what you are doing. My very first pole trick took me, like, six months to learn. I had to learn how to flip upside down on the pole. I'd run up to the pole and try to jump up on it and I just couldn't do it. Then, one day, it just happened and I was able to get on there. Then, everyone else that couldn't do it was like, 'If this big girl can do it, I can do it, too.' And I got mad because they all learned how to do it the first day that they tried. [*Laughs.*]

BootyLicious: Wait a second. You are not a big girl. You are a tiny girl.

Gemini Lovell: Well, in the world of strippers, I am on the bigger end of the spectrum. Especially at a club where you have to wear gowns. They are cut for a thinner framed woman. So, depending on where you work, I am considered a big girl.

BootyLicious: Well, damn. You are one hot big girl.

Gemini Lovell: [*Laughs.*] I am not big in a bad way. Like, where I dance now, the clientele loves me. They love my shape. They tell me all the time that they wish all the dancers were built like me. I just have big boobs and a big ass, so I am considered a big girl.

BootyLicious: Well, amen to that! Big girls are hot.

Gemini Lovell: [*Laughs.*] Thanks.

BootyLicious: How tall are you, Gemini?

Gemini Lovell: I am 5'3".

BootyLicious: And what are your measurements?

Gemini Lovell: Up top I am a 34D. My waist is a 28 and my ass is, like, 40? It fluctuates.

BootyLicious: When I see a woman with an hourglass figure like yours, I think it's great, but then I think about how hard it must be to find stuff to wear. How does shopping go down for someone like you with curves?

Gemini Lovell: It's really hard to find clothes. Especially pants. Pants and shorts are hard to find because I can't find anything to go over my ass that fits my waist snug. It's always loose. And I never wear skirts. You will never catch me in a skirt. So, I wear a lot of stretchy material and I wear a lot of dresses. I have tried to find jeans, but I always get that huge gap in the back between the material and my waist. It's crazy. It looks bad.

BootyLicious: What about all those jean lines that are geared towards women with big asses?

Gemini Lovell: I have tried to wear those, but they look bad on me because they are too big in the butt when they fit my waist. They are just too big. They make them bigger than the average jean, so they hang loose on my frame.

BootyLicious: Wow, so you are like Goldilocks. Some pants are too small. Some pants are too big. You can't find your just right, huh?

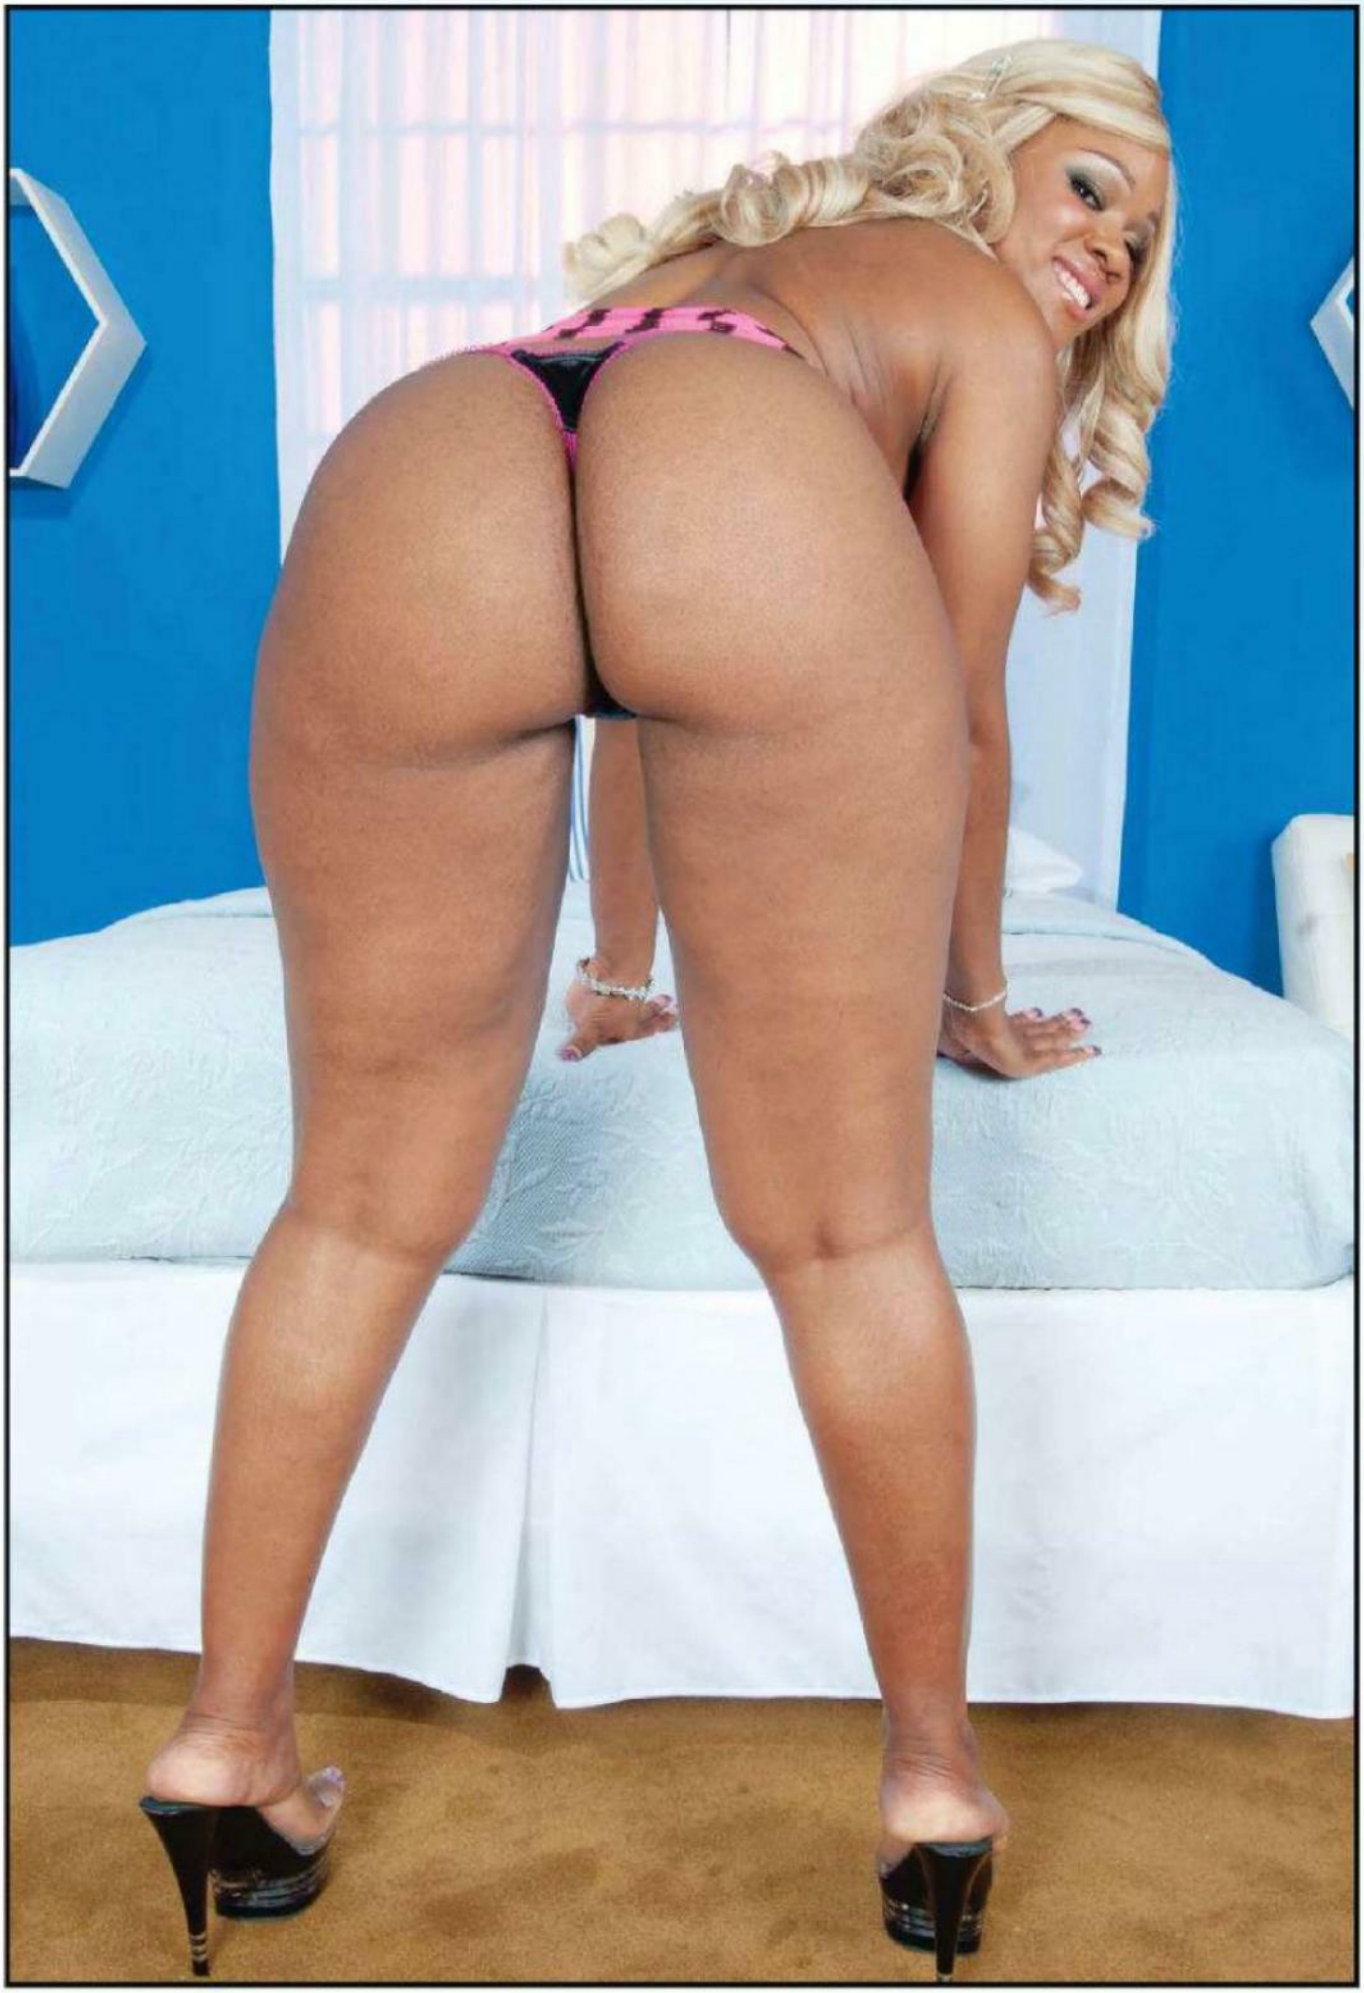

Gemini Lovell: [*Laughs.*] Nope.

BootyLicious: So you wear a lot of lycra, then. Isn't that even more scandalous, though?

Gemini Lovell: Yes, because it either shows too much ass or it doesn't stretch enough and it makes my ass look flat like a pancake.

BootyLicious: Have you ever had an embarassing moment where something you wore malfunctioned?

Gemini Lovell: Well, if I buy something and I don't try it on first, then it always malfunctions. [*Laughs.*] It will ride up my thighs and I have to pull it down or I will bust through the seams. It doesn't work out for me.

BootyLicious: So, with a big ass like yours and your clothes riding up and exposing that big ass of yours, guys must be chasing you down the street.

Gemini Lovell: [*Laughs.*] Yeah, a lot of guys try to hit on me.

BootyLicious: What's the funniest thing a guy has done?

Gemini Lovell: Off the top of my head, I can't think of anything funny. I mean, a lot of guys hit on me, but it's all the same.

BootyLicious: You obviously get hit on by a lot of butt lovers, right?

Gemini Lovell: For the most part, yes. Guys on the street approach me and it's always the same thing. At the club, it's different because I approach them and then they are more shy about hitting on me. They are more introverted. They don't know how to approach women.

BootyLicious: When did your ass first start to blossom like that?

Gemini Lovell: Well, I never really noticed that my ass was big because all of the women in my family are shaped like this. But I would say around 7th grade was when every one else, like the boys at school, started to notice my ass.

BootyLicious: And did you get a lot of shade from the girls who didn't have big asses when you were in high school?

Gemini Lovell: When I was in school, I had a big butt but no one really seemed to make a big deal about it. I think that in high school, guys were more into skinny girls with no curves. It wasn't until I got out of high school that guys started trying to talk to me because of my big ass.

BootyLicious: So tell us what you like to do for fun, Gemini.

Gemini Lovell: Strip. [*Laughs.*] Well, I actually like to dance. I love to listen to R&B, Rock, Hip-Hop and even alternative. I enjoy moving my body. Even when I am at the club, I will tell the DJ to switch up my sets of music because I listen to stuff depending on my mood. Sometimes I like to dance to Rock music because it's much lively.

BootyLicious: You like to dance, so have you ever been in any Rap or Hip Hop videos? With your body, I am sure that they would love you.

Gemini Lovell: It's something that I would like to do, but I haven't come into that opportunity.

BootyLicious: Now, some models that like to dance say that they go on these big booty tours around the country. Is that something you've done, too? Something you'd like to get into eventually?

Gemini Lovell: Um, it's something that I want to do. I was in a DVD with Luscious Louis and I know that she said that is how she got into adult modeling.

BootyLicious: We love Luscious. I actually interviewed her. She was on the Bubble Butt tour with Pinky.

Gemini Lovell: *Laughs.*] Yes, so I would love to do something like that.

BootyLicious: Tell me why you like dancing so much, Gemini.

Gemini Lovell: I've always liked to be naked, so taking off my clothes was never a problem for me. Actually, when I first started dancing at strip clubs, I thought that they were going to be a lot raunchier than what they really are. I thought I was going to get up on stage and dance really raunchy and get to cut loose on stage a lot more, but I was wrong. It's not even like that. [*Laughs.*] I thought it was going to be like Coyote Ugly, where I would dance and like pour champagne all over the customers and just be wild. Like Coyote Ugly, but, like, just taking off your clothes. [*Laughs.*] But it is not even like that. It's really a lot more tame than I initially imagined that it would be.

BootyLicious: What's the wildest thing that has ever happened at the strip club?

Gemini Lovell: The wildest as far as dirty? Or the wildest as far as bad?

BootyLicious: Um, dirty is good.

Gemini Lovell: Oh, um, we do this bachelor party where the girls double team the guys and we jump all over them and shove our breasts and asses in their faces.

BootyLicious: Okay, we always ask so here goes: Gemini, is there ever sex in the champagne room?

Gemini Lovell: It depends on what club you go to.

BootyLicious: Really? Like, really?

Gemini Lovell: Mhmm. [*Laughs.*] I am letting out all the strip club secrets!

BootyLicious: [*Laughs.*] We always say, if you are going to testify, testify during your BootyLicious interview. Say what you gotta say, girl!

Gemini Lovell: [*Laughs.*] There's a lot of raunchy things that happen at the raunchy strip clubs.

BootyLicious: Okay, so you strip, you just started working as a porn star recently…

Gemini Lovell: Oh, wait! I remember a story from the club I can tell.

BootyLicious: Do tell!

Gemini Lovell: [*Laughs.*] Well, there was this girl in a contest. It was a contest to find the baddest bitch in New York. And it was about who could do the wildest things on stage. One girl, she put a bottle in her ass. But only like the neck of the bottle. I mean, it wasn't even like three inches long, so that wasn't impressive. The next girl just danced, so it was like, whatever. But the girl who won, she filled a bottle up with water, put her legs behind her head and then shoved the bottle in her pussy and like let it drain inside of her. Then she pulled the bottle out and she squeezed her pussy and she made a geyser of water that squirted all the guys who were watching. Everybody got wet! It went all the way up to the ceiling! It was crazy! It was wild. The water was on the ceiling and it kept dripping down all night long! [*Laughs.*]

BootyLicious: [*Laughs.*] That's a crazy strip club story!

Gemini Lovell: I know, right?

BootyLicious: Okay, so you are now a porn star. You pose solo and you are doing boy/girl, too, right?

Gemini Lovell: Yes. I like them both.

BootyLicious: And do you do anal?

Gemini Lovell: I have done it in my personal life, but not in porn…yet.

BootyLicious: Anal is an interesting topic here at *BootyLicious* because we have girls who have never done it before and then there are girls who are pros at doing it. And to be honest, a lot of people are curious about it and don't know the first thing about doing it. So, I always like to talk about anal and try and get a model's perspective on it. Maybe your tips and advice can help someone reading this interview start doing anal. And that's what we are all about around here, ass and anal.

Gemini Lovell: [*Laughs.*] Well then let's talk about it.

BootyLicious: First I want to ask you something else. Do you ever get nervous before you do a sex scene?

Gemini Lovell: Yes, I always do.

"I love to have my pussy eaten... It's the best thing ever!"

BootyLicious: How do you overcome that when you are on set?

Gemini Lovell: Um, I try to not think about all the things that make me nervous. It's usually about how I look or whether I know the male stud I am going to do a scene with. It's just all the things that every woman thinks about before sex. You know…am I looking right? Will he be into me? All that. I just push it out of my mind and I get into it.

BootyLicious: Do you get nervous about people being on the set.

Gemini Lovell: [*Laughs.*] Oh, no. Never that. Like I said, I like being naked. And to be honest, I like people watching me. I like to have sex and look at the camera man or the grips on set and see them getting turned on by watching me fuck. Sometimes you are in a sex position where you can't see the person you

In the March '10 issue you were in an orgy with the *Thong Team* cast...

"Yes and that was a great scene to film because there were so many hands, tongues and dicks everywhere! It was my first time doing an orgy and it was wild. But if you ask me, I cum just as well, if not better, when I am one-on-one with a guy. It is really about how you connect. When I was shooting this scene, Dred was talking dirty to me the whole time and it made me cum!"

You obviously have a big ass, so do guys always want to cum on it when you fuck them?

"It depends on the guy. Some guys like to see their cum on my ass and I don't mind if that is where they want to bust. One guy I used to date liked to blow his load in my mouth. Another guy liked to cum in my pussy and then keep going. I am down with whatever a guy wants to do because that is his nut and I want to make it as good as possible for him. I just don't like it when a guy wants to cum on my face just because they usually miss and then get it in your eye and that hurts. As long as you avoid jizzing in my eyes, we are cool."

What was the best sexual encounter you ever had, Gizelle?

"One time I met this guy at the gym and we hit it off. We left the gym and went to lunch and that progressed to a quick stop at home to shower, change and pack. Why? Because he invited me to go on his boat to the Bahamas! We spent three days in the tropics just fucking and soaking up the sun. It was the greatest sexcation of all time and it started with a simple smile and a hello."

Can you give us some tips on how an ass like yours should be handled?

"Oh, yes! I would love to do that because a lot of people get overwhelmed when they see a big ass like mine and all they want to do is spank it. There are more things to do with a big ass. For starters, when you undress a woman with a big butt, you should pull her panties down and bite her ass gently. That is a big turn-on."

Okay, so some soft biting is necessary. What else is ass appropriate?

"You can spank an ass nice and hard, but don't just stop there. You have to spank a cheek and then rub it after to ease the sting. Don't just slap it and that's it. And don't be afraid to grab it and squeeze it really hard. We have a lot of cushion back there; so don't be too gentle with a big ass. You have to manhandle it."

Are there any rules for anal sex that you think are a must to follow?

"I always say that if a man wants to stick his hard *pinga* (That means dick in Spanish.) in my asshole, he better be prepared to stick his tongue in there first. My ass is a present and if you want to unwrap it so you can fuck it, you have to do so with your mouth. There is nothing sexier than when a man falls to his knees and starts licking your ass cheeks and slowly pulls them apart. When you first feel the tip of his tongue in your asshole, it feels so warm and wet that it sends shivers up your spine. If you taste my ass and get it very wet with spit, I will tell you to bend me over and slide your big *pinga* in there, too."

BootyLicious: Would you say you are a sexual person?

Gemini Lovell: [*Laughs.*] You would think so because of what I do for a living, but I am going to say no. For me, I am more of a tease. It is not about the sex for me. I like to know that someone who sees me, wants me. That they are getting horny because they are watching me.

Gemini Lovell: I love to have my pussy eaten. It is the best thing ever.

Gemini Lovell: I have been with girls before, but I am not into them. It was more, like, to fulfill a fantasy for my partner at the time. Or, it is something that just has happened, like, if I was hanging out with a girl. Something that we have done just for, like, fun. But it's never been, like, a romantic thing. Just something that has happened and I have gone with the flow.

Gemini Lovell: Well, you have to go slow and be patient. Making a woman cum with your mouth and your hands takes a while. Welcome to *BootyLicious*, Elizabeth. Tell us your dirtiest fantasies.

"Thank you! I am so excited to be here. This is actually one of my fantasies. I have always wanted to be in a dirty magazine, showing off my ass so that horny guys could jack off to me. Some girls get mad when guys look at them and whistle and call out dirty things. But not me. I love all kinds of perverted attention from men."

So, what do you do for a living, Elizabeth? Are you an exotic dancer?

"Close, but not really. I have a lot of jobs, actually. During the day, I go to school and wait tables at a local cafe. At night, I work as a cocktail waitress, not a dancer at a strip club. I like working at the strip club the best because I love watching the girls shake their asses and grind. I have something of an ass fetish. I have been with a few girls and I love to eat their asses and spank them. I also like to sit on guy's faces and grind my pussy and ass on them."

So, you must be into anal sex...

"I am into the idea of it but I haven't done it, yet. I want to really badly; I just haven't found the right guy, yet. But I know once I do it, I am going to love it. I already masturbate with a butt plug in my ass. I like to stick vibrators in my asshole when I play with my pussy, too. I cum the hardest when my ass is stuffed full and I work my clit with my fingers, so I think that I will be trying anal really soon."

and put it in your pussy, the better. So, when they finger you, it's hard and fast and you might not even be wet enough, but they don't care. They think that they can just shove their fingers in there and that's that.

BootyLicious: So, is that why girls give better head than guys?

Gemini Lovell: [*Laughs.*] Well, women are more patient. I was with this woman once and she was licking on my clit, right? And then she started off with just the tip of her finger and she was teasing my pussy until I was screaming for more. And then she slid it all the way in and I was, like, moaning. And the wetter I got, and the more turned on I became, the more fingers she slid inside me. It was really slow and the build-up was very intense. I was, like, seeing stars.

BootyLicious: So, obviously, you like to cum from getting head.

Gemini Lovell: [*Laughs.*] Yeah, I like to cum that way. It feels nice.

BootyLicious: Now, are you the kind of girl that returns the favor after you cum from getting head?

Gemini Lovell: [*Laughs.*] I am so bad! If I cum from getting head, I am usually too wiped out to return the favor. It's, like, you can get whatever you want prior to that, but the minute I cum, it's, like, I am sorry for you, but that was it. I am done! [*Laughs.*]

BootyLicious: Do you like any kind of anal play when you get head?

Gemini Lovell: Um, no. I think that guys like anal play more because they like booty. It's more of a turn on for them, than for me.

BootyLicious: Are you a giver when it comes to head?

Gemini Lovell: I treat each case differently. When I have sex with someone, I always start out as a giver. But if you are not a giver, or you stop being a giver because you get lazy, then I take away your privileges.

BootyLicious: That's fair. So, when you are with a man, what position do you like to be in that makes you cum the best? Doggie? Cowgirl?

Gemini Lovell: I actually like to be in a sideways position. I like to be in the spooning position. I guess that is what they call that, right? 'Cause when I

spoon, if I lean a little bit forward, then a guy can get all of his dick inside me very easily, so it feels really good and I love that deep penetration. Unless I ride them, there is no other position that gets a dick all the way in me like that. Spooning is the best. And I like to look back and kiss, too. It's nice to be in a position where you can touch each other all over and kiss. A lot of positions limit that.

BootyLicious: Is kissing important?

Gemini Lovell: Yes. It is very important to me. It is what connects me to someone during sex.

BootyLicious: So you seem to like the foreplay part of sex more. You like head and kissing and touching…

Gemini Lovell: Yeah, you know, sometimes I like that even more than sex. Sex is over so fast. But the build-up to it is slow and sexy. That is probably why sex is not that serious to me. I don't have a lot of sex in my personal life because there is so little of that tender foreplay that happens. Guys just want you to suck their dicks and then stick it in your pussy and that's it. And for me, that's not just it. I need to be touched and carressed. I think that foreplay is important.

BootyLicious: Do you like giving head to guys, though?

Gemini Lovell: You know what? I do. I love to please the man that I am with. I like to give it as good as I get it. If a man treats me right in the bedroom, I will suck his dick all day if he asks me to. I always reciprocate the amount of effort that my partner gives to me. If he is into it, I am into it.

BootyLicious: You enjoy it.

Gemini Lovell: Yeah, I do. I like to give a man a blow job and look up and see his whole body and watch him react to how I am touching him and what I am doing to him. It's intimate. It makes me feel like he and I are connected and it's nice.

BootyLicious: So you are basically telling the men of the world, give and you will receive. Don't be lazy!

Gemini Lovell: Exactly. Treat your women well and they will treat you like a king. That's the way to do it.

BootyLicious: And on that note, Gemini, we have to let you go back on set and do your thing. But thank you for being so candid.

Gemini Lovell: No problem. Thank you! You are a great lady to chat with. *BootyLicious* is a great magazine! B

pussies and asshole areas completely bare. It's not natural and it makes a model look less womanly to me. I know that I'm the minority when it comes to the topic of pubic hair, but I think that all of your readers are entitled to their own opinion, right? BRING JANET JADE BACK!

Dear *BootyLicious*,

I am requesting that you bring back Janet Jade. That girl is amazing. I have seen her on your website and in a few of your magazines and she has the best body of all the black models you feature. I am into women who have curves all over, not just big asses. I like it when you put models in the magazine who have big titties and big asses, too. Some of the other models that you have put in the mag who meet this criteria are Kelly Starr and Delotta Brown. But Janet Jade is the best of all of those girls. I think she has

the total package. I read on one of your sites that Janet used to be a cheerleader. Is that true?–U.D., Atlanta, Georgia

Dear U.D., Thanks for the letter and we will try to feature more layouts of Janet in future mags. And the answer to your question is YES, Janet Jade used to be a cheerleader when she was in school.

HE SAYS THAT HE FINALLY GOT HIMSELF A PIECE OF CHOCOLATE AND LOVED IT!

Dear *BootyLicious,*

Your layout of Hershey Bryant in the January '11 issue was inspirational for me. Sure, I got horny looking at her body and her mazing booty, but it was more than that. It made me want to go out and have sex with a black woman for the first time.

I am a white guy who has secretly loved black girls for as long as I can remember, but I have never had a black girlfriend. It's not that I don't think that I can date a black woman, it's just that I am shy and really intimidated by them.

But the layout of Hershey made me so fucking horny that I couldn't stop thinking about her and jerking off. Just thinking about it now gives me a boner. She has such a beautiful black ass and her pussy makes my mouth water. If I met her in person, I would probably get an instant hard-on and cum in my pants.

HERSHEY BRYANT'S DARK AND LOVELY ASS MOTIVATED ONE READER TO GO OUT AND GET IT ON FOR THE FIRST TIME WITH A BLACK, BIG-BOOTIED QUEEN.

So, thinking about her day and night for a couple of weeks made me decide that I needed to act on my desires, get over my shyness and get it on already!

I asked my black friends and coworkers to introduce me to some of their girlfriends' friends and wouldn't you know it, a few months later and now, I have a black girlfriend. (She says I fuck her better than anyone else ever has!) She has a big butt, too, which I gladly ask her to put on my face so she can ride me while I eat that tangy ass. It would have never happened if I hadn't seen Hershey's photos in the mag and been driven wild by my desire. So thanks for the inspiration and keep on doing a great job. You guys make a lot of booty lovers like me very happy.–W.H., Richmond, Virginia

This is how a Starr like Kelly gets discovered:

One sunny day in Miami, Kelly Starr was going about her business when she was approached by a *BootyLicious* recruiter in the parking lot of a shopping center. It's no surprise because clearly Ms. Starr has a gigantic set of titties and an even bigger ass. Her asscheeks are like a perfect shelf and this guy didn't know if he should sit on it or get in it! So he convinced her to come with him to his house so that they could discuss an opportunity for Kelly to be the star of a new film called *Double Trouble*. Kelly said she always wanted to be in a film and agreed to come and check it out.

And just like that a new booty porn star gets the chance to shine!

Kelly wouldn't normally say yes to this kind of thing, but she was flattered! She got into the BootyMobile and ends up at the BootyMansion where the camera crew was ass-tounded over the size and shape of her buttocks, too! They were so shocked that they inspected and shook her booty like it was a Christmas gift!

An ass like that is a lot for just one man to handle...

Two of our recruiters had to strip Kelly down and fuck her on the spot, double-teaming her. She sucked their cocks greedily and licked their balls too. At first, they took turns fucking her soaked pussy, but then they put her in a doggie-pose and double-penetrated her; one dude in her pussy on the bottom, the other dude from behind in her asshole. Kelly was so turned on by being full of cock that she ground her ass and pussy hard, cumming all over these two dicks!
